Dear Mr. Carwell,

Thank you for representing Holy Spirit Catholic Church in obtaining our "Conditional Use Permit". Your leadership and direction did not go unnoticed and was most appreciated.

At this time we find all matters satisfactorily concluded and your fee for services will be promptly paid as you have invoiced.

We do see further help from you, possibly working through the issues with the County that may unfold in 2009 to actually complete the Smallhouse roadway conditions in a timely manner.

Very Truly Yours,
